MEMORANDUM TO:

[REDACTED]
Staff Assistant, ODD/I

SUBJECT:

NSC Progress Report Section on
Warning of Attack

1. We do not, at this time, believe it desirable to attempt revision of section XI of the Progress Report to the NSC. I have, however, obtained the view of OCI in a redraft prepared in this office (redraft attached).

2. Both OIC and OCI do not recommend a change in present Progress Report. I do believe that the redraft might serve to improve section XI in the next Progress Report to the NSC.
